

Frequently Asked Questions

1. What is the Commitment to Mentor form?

This form allows the Governor's Office to collect data on the number of state employees participating in the Governor's Mentoring Initiative as formal or informal mentors as well as the number choosing to utilize the flex-time.

2. How do I find an organization to mentor for?

You can visit <http://www.azmentors.org> to find organizations in your area; or mentor with an organization you are already familiar with for example your children's school or your place of worship.

3. What is the next step once the Commitment to Mentor form is filled out?

Please submit the form to the Governor's Office and then arrange a meeting with the Director for your department to work out an acceptable schedule that will allow you to utilize the flex-time to mentor school-age youth in Arizona.

Thank you for your interest in the Governor's Mentoring Initiative, your service to the great State of Arizona and our Arizona youth!
